Key Learning

- Christians read the 'big story' of the Bible as pointing out the need for God to save people. This salvation includes the ongoing restoration of humans' relationship with God.
- The Gospels give accounts of Jesus' death and resurrection.
- Belief in Jesus' resurrection confirms to Christians that Jesus is the incarnate Son of God, but also that death is not the end.
- This belief gives Christians hope for life with God, starting now and continuing in a new life (heaven).

Key Vocabulary	
Pesach	Another way of saying Passover.
Sacrifice	To give up (something) especially for the sake of something or someone else. Christians believe that Jesus sacrificed himself to save human beings.
Eucharist	Also called holy communion, the sacrament, or the Lord's supper. Christians take bread and wine to remind themselves of the sacrifice Jesus made for humans.
Mass	The act of worship of the Roman Catholic Church.
Victory	Jesus' defeat over the grave.
Restoration	An act of returning something to its original condition.

Some things are really hard to get your head round, like the resurrection, for instance. Just because we don't understand HOW it happened, doesn't mean it DIDN'T happen? Does it?

HE'S
ALIVE!

In the old testament it says that Jesus would come back to life again. If Jesus hadn't been resurrected, would you be able to believe and trust what Jesus and the rest of the bible had to say?

If you believed that there was life after death, would you live your life differently? What would you do?

Was Jesus just a good man, or who he himself said he is? The Son of God? What do you think? Can you justify your answer?
